Dear Madam / Sir

Fao Jennifer Booth

Re; planning application 2026/90504 ~ side extension over garage at
3, Park Mews Farnley Tyas HD4 6BX.

As next door neighbours we appreciate the revised extension plan and as such have no objections .

Our neighbours / applicants have kindly shared the architects dimensions, see below.

I have asked these dimensions be uploaded to the planning portal. As the date for
planning comments closes on 18.03.26 I enclose the shared measurements incase the architects
communication is delayed .

I would appreciate it if you could reassure me that if the new plans are passed that these are the
measurements that will be used?

We really want to ensure we remain on good terms with our neighbours but equally need to ensure
our understanding of the planning application is correct.

I haven't written via the portal as unsure if this enquiry needs to be displayed publicly ?

If this enquiry has to be displayed publicly could you remove my name please.

Many thanks,
2, Park Mews Farnley Tyas HD4 6BX
