Dear Sir/Madam

Application for Approval of Details Reserved by Condition
Town and Country Planning Act 1990
Planning (Listed Buildings and Conservation Areas) Act 1990

Discharge of condition 5b(vi) (Noise and Vibration Management Plan) of the Deemed Planning Permission granted by the Department for Transport in relation to The Network Rail Huddersfield to Westtown (Dewsbury) Improvements Order 2022, Stage 6 of the Development
Works at Mirfield Station, Mirfield Railway Station (and land adjacent), Land off Station Road, Mirfield, WF14 8QF
Application Number: 2026/90511

I write with reference to your application to discharge the conditions for the above development as submitted on 20-Feb-2026.

Condition 5 Code of Construction Practice

The submission relates to a request from Network Rail to vary working hours. The following document has been submitted:

- Letter from Network Rail dated 19 February 2026 Reference 151667-TSA-00-TRU-REP-W-EN-900108 titled “The Network Rail (Huddersfield to Westtown (Dewsbury) Improvements) Order 2022 Code of Construction Practice Part A and condition 5bvi: Request to vary standard working hours at Mirfield Station – stage 6 works (W3b)

You have submitted the above documents in relation to a proposed variation to the approved standard working hours pursuant to the requirements of condition 5 (Code of Construction Practice), Stage 6. The details therein relating to specified works at the specified locations are acceptable for the purposes of condition 5 and are hereby

approved for the specified time periods. This is subject to the understanding that the works will continue to be implemented in accordance with Best Practicable Means (BPM) and the approved Noise and Vibration Management Plans at all times.

You are advised the standard working hours otherwise apply to all other works in Stage 6 which are not expressly listed in these documents.

Yours faithfully

Mathias Franklin
Head of Planning and Development
