This plan concerns me. The last year has seen our Marsh area take a turn to the trashy. We are seeing some shops in the high street adopt flashy and ugly displays. I would like to see this reigned in. When I heard of this plan though I was alarmed. The gaudy nature of this proposal is loud, nasty and is not wanted here. We do not need the distraction, light pollution and ugliness in our neighborhood. Please no no no to this unwanted idea. We need ideas to improve our day to day lives, like planters of flowers, regularly emptied bins or helpful access to glass recycling, not more advertising forced on us
