Town and Country Planning Act 1990

Town and Country Planning (Development Management Procedure) (England) Order 2015

PLANNING PERMISSION FOR DEVELOPMENT

Application Number: 2026/62/90556/E

To: Awais Ayub,
Novl Studio
80, Cornmill Lane
Liversedge
WF15 7ED

For: KHALID

In pursuance of its powers under the above-mentioned Act and Order the KIRKLEES COUNCIL (hereinafter called "The Council") as Local Planning Authority hereby permits:-

ERECTION OF A BUILDING TO PROVIDE VEHICLE VALETING BAYS, MOT TESTING BAY AND ASSOCIATED FACILITIES, TOGETHER WITH THE RECONFIGURATION OF THE EXISTING PARKING AND SERVICING LAYOUT

At: SUPER SHINE HAND CAR WASH, 52, HALIFAX ROAD, MILLBRIDGE, LIVERSEDGE, WF15 6JL

In accordance with the plan(s) and applications submitted to the Council on 24-Feb-2026, subject to the condition(s) specified hereunder:-

1. The development hereby permitted shall be begun within three years of the date of this permission.
Reason: Pursuant to the requirements of Section 91 of the Town and Country Planning Act 1990 (as amended).

2. The development hereby permitted shall be carried out in complete accordance with the plans and specifications schedule listed in this decision notice, except as may be specified in the conditions attached to this permission, which shall in all cases take precedence.
Reason: For the avoidance of doubt as to what is being permitted and to accord with

policies Policy LP1, 2 , 21, 22, 24,26, 28, 30, 51 and 52 of the Kirklees Local Plan and Chapters 2, 4, 6, 11, 12, 14 and 15 of the National Planning Policy Framework.

3. The use of the site shall not operate outside the following hours:

- 09:00 - 18:00 Monday - Saturday
- 10:00 - 16:00 Sunday and Bank Holidays

Reason: To ensure that the proposed uses do not give rise to the loss of amenity to nearby residential properties, by reason of noise or disturbance at unsociable hours, to accord with the aims of Policies LP24 and LP52 of the Kirklees Local Plan and Chapters 12 and 15 of the National Planning Policy Framework.

4. The area identified as the MOT testing bay on Drawing no. 25-005-PL22 tilted “Proposed Ground Floor Plan” shall be used solely for the statutory testing of vehicles and for no other purpose, including any vehicle repair, servicing maintenance or dismantling.
Reason: To define the scope of permission and to protect the amenity of neighbouring occupiers in accordance with Policy LP24 of the Kirklees Local Plan and Chapters 12 and 15 of the National Planning Policy Framework.

5. No external lighting shall be installed unless details have first been submitted to and approved in writing by the Local Planning Authority. Development shall be carried out in accordance with the approved details.
Reason: In the interests of residential amenity, in accordance with Policy LP24 of the Kirklees Local Plan and Chapters 12 and 15 of the National Planning Policy Framework.

6. No external amplified sound or public address systems shall be used on the site.
Reason: In the interests of residential amenity, in accordance with Policy LP24 of the Kirklees Local Plan and Chapters 12 and 15 of the National Planning Policy Framework.

7. Groundworks shall not commence until actual or potential land contamination at the site has been investigated and a Preliminary Risk Assessment (Phase I Desk Study Report) by a suitably competent person has been submitted to and approved in writing by the Local Planning Authority.
Reason: This is a pre-commencement condition to ensure adequate site investigations are undertaken at an appropriate time, to ensure the safe occupation of the site in accordance with Policy LP53 of the Kirklees Local Plan and paragraph nos. 196 and 197 of the National Planning Policy Framework.

8. Where further intrusive investigation is recommended in the Preliminary Risk Assessment approved pursuant to condition 7, groundworks (other than those required for a site investigation report) shall not commence until a Phase II Intrusive Site Investigation Report by a suitably competent person has been submitted to and approved in writing by the Local Planning Authority.
Reason: This is a pre-commencement condition to ensure adequate site investigations are undertaken at an appropriate time, to ensure the safe occupation of the site in accordance with Policy LP53 of the Kirklees Local Plan and paragraph nos. 196 and 197 of the National Planning Policy Framework.

9. Where site remediation is recommended in the Phase II Intrusive Site Investigation Report approved pursuant to condition 8, further groundworks shall not commence until a Remediation Strategy by a suitably competent person has been submitted to and approved in writing by the Local Planning Authority. The Remediation Strategy shall include a timetable for the implementation and completion of the approved remediation measures.
Reason: This is a pre-commencement condition to ensure that adequate remediation measures are undertaken at an appropriate time, to ensure the safe occupation of the site in accordance with Policy LP53 of the Kirklees Local Plan and paragraph nos. 196 and 197 of the National Planning Policy Framework.

10. Remediation of the site shall be carried out and completed in accordance with the Remediation Strategy approved pursuant to condition 9. In the event that remediation is unable to proceed in accordance with the approved Remediation Strategy or contamination not previously considered [in either the Preliminary Risk Assessment or the Phase II Intrusive Site Investigation Report] is identified or encountered on site, all groundworks in the affected area (except for site investigation works) shall cease immediately and the Local Planning Authority shall be notified in writing within 2 working days. Works shall not recommence until proposed revisions to the Remediation Strategy have been submitted to and approved in writing by the Local Planning Authority. Remediation of the site shall thereafter be carried out in accordance with the approved revised Remediation Strategy.
Reason: This is a pre-commencement condition to ensure that adequate remediation measures are undertaken at an appropriate time, to ensure the safe occupation of the site in accordance with Policy LP53 of the Kirklees Local Plan and paragraph nos. 196 and 197 of the National Planning Policy Framework.

11. Following completion of any measures identified in the approved Remediation Strategy or any approved revised Remediation Strategy a Verification Report by a suitably competent person shall be submitted to the Local Planning Authority. No part of the site shall be brought into use until such time as the remediation measures have been completed for the site in accordance with the approved Remediation Strategy or the approved revised Remediation Strategy and a Verification Report in respect of those remediation measures has been approved in writing by the Local Planning Authority.
Reason: To ensure the safe occupation of the site in accordance with Policy LP53 of the Kirklees Local Plan and Paragraph nos. 196 and 197 of the National Planning Policy Framework 2024.

NOTE: The granting of planning permission does not authorise the carrying out of works within the highway, for which the written permission of the Local Highway Authority is required. You are required to consult the Local Highway Authority Design Engineer (Kirklees Street Scene: 01484 221000) at the earliest opportunity in the development process to obtain approval of the design details, agree the mechanism for delivery, and obtain the necessary permissions / permits to enable the delivery of the site access(es).

This process will involve entering into a Section 184 agreement of the Highways Act 1980 or other appropriate agreement to enable delivery of the works. The applicant is advised to make early contact with the Local Highway Authority Design Engineer, to ensure that the delivery of the works does not delay occupation of the development.

Please also note that the construction of vehicle crossings within the highway is deemed to be major works for the purposes of the New Roads and Street Works Act 1991 (Section 84 and 85). Interference with the highway without such permission is an offence which could lead to prosecution.

NOTE: The developer is reminded that, notwithstanding the granting of planning permission, the development will require a permit from the relevant water undertaker (in this case Yorkshire Water) to discharge trade effluent into the public sewer network.

NOTE: The granting of permission does not override the requirements of the Wildlife and Countryside Act 1981 (as amended) or the Conservation of Habitats and Species Regulations 2017 (as amended). The applicant is reminded that, under these Acts, it is an offence to kill, injure or disturb bats, or to damage or destroy the breeding sites or resting places of bats or wild birds. If bats or evidence of bats are discovered during works, all works should cease immediately, and the advice of a suitably qualified ecologist should be sought.

NOTE: No construction related noise shall be audible beyond the site boundary outside the hours of:

- 07.30 to 18.30 hours Mondays to Fridays
- 08.00 to 13.00 hours Saturdays

With no construction related noise audible beyond the site boundary on Sundays or Bank/Public Holidays. To safeguard the amenities of the occupiers of nearby properties in accordance with part 15 of the NPPF and LP52 of the Local Plan.

Kirklees Council has powers under Section 60 of the Control of Pollution Act 1974 to control noise from construction sites and may serve a notice imposing requirements on the way in which construction works are to be carried out. It has additional powers under Sections 80 of the Environmental Protection Act 1990 to prevent statutory nuisance including noise, dust, smoke and artificial light and must serve an abatement notice when it is satisfied that a statutory nuisance exists or is likely to occur or recur. Failure to comply with a notice served using the above-mentioned legislation would be an offence for which the maximum fine on summary conviction is unlimited.

Plans and specifications schedule: -

Plan Type	Reference	Version	Date Received
Site Location Plan	25-005 - PL01	-	24/02/2026
Existing Site Plan	25-005-PL02	-	24/02/2026
Proposed Site Plan	25-005-PL21	-	24/02/2026
Proposed Ground Floor Plan	25-005-PL22	-	24/02/2026
Proposed Elevations	25-005-PL23	-	24/02/2026
Proposed Sections	25-005-PL24	-	24/02/2026
Neighbouring Impact Assessment	25-005-PL26	-	13/04/202

Cover Letter	25-005	-	24/02/2026
Design and Access Statement	-	-	24/02/2026
Climate Change Statement	-	-	24/02/2026
Flood map for planning	-	-	24/02/2026

Pursuant to article 35 (2) of the Town and Country Planning (Development Management Procedure) Order 2015 and guidance in the National Planning Policy Framework, the Local Authority have, where possible, made a pre-application advice service available, complied with the Kirklees Development Management Charter 2024 and otherwise actively engaged with the applicant in dealing with the application. Officers requested an additional drawing which shows the relationship between the development and the neighbouring properties in section. This was to assist in the officer's assessment of the development in terms of visual and neighbouring amenity impacts. The proposals were assessed as acceptable.

Building Regulations Approval is required for most work involving building operations and/or structural alterations. It is the applicant's responsibility to find out if the work permitted by this planning permission needs approval under the Building Regulations, and if necessary to submit an application. If you are not the applicant can you please ensure the applicant is aware of this requirement. Contact Building Control on Tel No: (01484) 221550 for more information.

It is the applicant's responsibility to find out whether any works approved by this planning permission, which involve excavating or working near public highway and any highway structures including retaining walls, will require written approval from the Council's Highways Structures Section. Please contact the Highways Structures Section on Tel No. 01484-221000 Ext 74199 for further advice on this matter.

Details Reserved by Condition

- **This permission has been granted subject to conditions. Some of the conditions may require you to submit further details. These conditions normally contain the wording "*submitted to and approved in writing by the Local Planning Authority*".**

- **You can apply online for approval of these details at the Planning Portals website at www.planningportal.gov.uk. Alternatively the forms and supporting guidance for submitting an application can be found online at www.kirklees.gov.uk/planning.**

- **This Authority recognises the need to ensure that you are able to develop the site as effectively and flexibly as possible. However, at the same time it must ensure that development is in accordance with the terms of the planning conditions and legal agreement and the expectations of elected members and local residents set through the decision process.**

- **You should note the triggers for compliance with the conditions of this planning permission. This Authority is committed to processing applications to discharge conditions in a timely manner. It is important to ensure that submissions are made as far in advance of the trigger to allow time for adequate consultation, discussion and in some circumstances publicity.**

- **It is important that applications to discharge conditions are accompanied by sufficient information to enable this Authority and its consultees to fully consider and determine the proposals. Whilst officers will endeavour to negotiate solutions, failure to provide a comprehensive submission may result in delay and refusal of the application.**

- **If you commence work without discharging conditions you are at risk of enforcement action and invalidating your permission if the planning condition is a pre commencement condition.**

Development within a Coal Mining Area

The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Mining Remediation Authority on 0345 762 6846 or if a hazard is encountered on site call the emergency line 0800 288 4242.

Further information is also available on the Mining Remediation Authority website at: Mining Remediation Authority - GOV.UK

Digital Infrastructure: Fibre To The Property (FTTP)

Access to affordable and reliable broadband is necessary for Kirklees' residents, businesses, and visitors to take advantage of the growing digital economy and 'digital by default' services. Fibre optic cables direct to a property (FTTP) is the most reliable way of delivering high speed broadband connectivity and allows for gigabit internet speeds. Access to high quality digital infrastructure provides the foundations for, amongst other things:

- Economic prosperity – workforces that are digitally-literate enables business to thrive.
- Digital literacy – digital literacy and skills increase employability and people can exploit the internet for transactional, social, entertainment and learning purposes.
- New services – digital delivery can lower costs and provide innovative public and health services more conveniently.

It is therefore advised that digital infrastructure, including FTTP, and its benefits for the development be considered from the earliest feasible stage. Methods include working with

Internet Service Providers to install digital infrastructure alongside other utilities or providing pre-infrastructure allowing for speeder installation at a later date.

Note: The provision of fibre infrastructure is often available from certain telecommunications providers free of charge for development over a certain scale, provided that sufficient notice is given. Notice periods are typically at least 12 months prior to first occupation. In some cases, providers may request a contribution from the developer.

Note: Where no telecommunications provider has been secured to provide fibre infrastructure by the time of highway construction, it is advised that additional dedicated telecommunications ducting is incorporated alongside other utilities to enable the efficient and cost effective provision of fibre infrastructure in the future.

Where the application has been publicised by notice(s) in the vicinity of the site. It is respectfully requested that the notice(s) now be removed and responsibly disposed of to avoid harm to the appearance of the area

Appeals to the Secretary of State

- **If you are aggrieved by the decision of your Local Planning Authority to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.**
- **If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your Local Planning Authority's decision on your application, then you must do so within:**

  i) 28 days of the date of service of the enforcement notice, or
  ii) within the specified period, starting on the date of this notice,

  whichever period expires earlier.

- **If you want to appeal against your Local Planning Authority's decision then you must do so within the specified period, starting on the date of this notice.**

- **The "specified period" is 12 weeks where the development relates to a "minor commercial application" as defined within the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), or 6 months in any other case.**

- **Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at https://www.gov.uk/appeal-planning-decision. Further information on the Planning Appeal process can be found online at the Planning Inspectorates website https://www.gov.uk/government/organisations/planning-inspectorate.**
- **You must use the correct Planning Appeal Form when making your appeal. If requesting forms from the Planning Inspectorate, please state the type of**

application that the appeal relates to so they can send you the appeal form you require.

- **The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.**
- **The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.**
- **In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.**

Please note, only the applicant possesses the right of appeal.

Purchase Notices

- **If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.**

In these circumstances, the owner may serve a purchase notice on the Council. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

An important part of improving our service is to review your feedback on the way that we have dealt with your planning application(s). Please take a couple of minutes to email your comments to dc.admin@kirklees.gov.uk so that we can work on continually improving our customer service. Thank you.
