Subject: RE: Attached letter from Kirklees Council regarding application number 2026/90620 at location Central Warehouse, Bradford Road, Batley, WF17 5LW

Good afternoon Danielle

As the proposed application is under the public health site size threshold of 1,000sqm/0.5 hectares and is for Class E use (shop/café) not a hot fast-food takeaway, it does not require the submission of a Rapid Health Impact Assessment (I note they haven't submitted one). However, if the drive thru element is more in line with fast food items (burgers, fried chicken, pizza etc) please inform me and I will run it through our screening tool and provide a score- there may also be other SPD considerations as it mentions being located near Park Road Junior School

Kind Regards
Louise
