

Town and Country Planning Act 1990

**Town and Country Planning (Development Management Procedure) (England) Order
2015**

PLANNING PERMISSION FOR DEVELOPMENT

Application Number: 2026/62/90647/W

To: Tom Shiels
JR Planning
Velocity Point
Wreakes Lane
Dronfield
S18 1PN

For: TURNER FARMS LTD

In pursuance of its powers under the above-mentioned Act and Order the KIRKLEES COUNCIL (hereinafter called "The Council") as Local Planning Authority hereby permits:-

DEMOLITION OF CATTERY BUILDING AND ERECTION OF REPLACEMENT
BUILDING TO PROVIDE SELF STORAGE UNITS

At: COZY PAWS CATTERY AND FARM, OLDFIELD ROAD FARM, OLDFIELD
ROAD, HONLEY, HOLMFIRTH, HD9 6RL

**In accordance with the plan(s) and applications submitted to the Council on
11-Mar-2026, subject to the condition(s) specified hereunder:-**

1. The development hereby permitted shall be begun within three years of the date of this permission.

Reason: To ensure compliance with Section 91 of the Town and Country Planning Act 1990.

2. The development hereby permitted shall be carried out in complete accordance with the plans and specification schedule listed in this decision notice, except as may be specified in the conditions attached to this permission, which shall in all cases take precedence.

Reason: For the avoidance of doubt as to what is being permitted and so as to ensure the satisfactory appearance of the development on completion, and to accord with Policies LP1, LP2, LP7, LP10, LP20, LP21, LP22, LP24, LP26, LP28, LP30, LP52, LP53 and LP59 of the Kirklees Local Plan, Policies 1, 2, 7, 11, 12 and 13 of the Holme Valley Neighbourhood Development Plan and Chapters 2, 4, 6, 11, 12, 13, 14, and 15 of the National Planning Policy Framework.

3. The materials to be used in the implementation of this permission shall not be otherwise than as described and specified in the application and on the drawings hereby approved unless the prior written consent of the Local Planning Authority has been obtained for any proposed change or variation.

Reason: In the interest of visual amenity in accordance with policies LP10 and LP24 of the Kirklees Local Plan and policies within Chapters 12 and 13 of the National Planning Policy Framework.

4. The use hereby permitted shall not be open to customers, with no deliveries to, or despatches from the premises outside the hours of –

- 08:00 am to 18:00pm Mondays to Saturdays
- 10:00 am to 18:00pm Sundays and Bank Holidays

Reason: To ensure that the proposed use does not give rise to the loss of amenity to nearby residential properties, by reason of noise or disturbance at unsociable hours, to accord with the aims of Policies LP24 and LP52 of the Kirklees Local Plan and policies within Chapters 12 and 15 of the National Planning Policy Framework.

5. The development hereby approved shall be restricted solely to the use of self-storage (use class B8) and shall not include any other storage or distribution use of any description.

Reason: For the avoidance of doubt as to what is being permitted, in the interests of highway safety and to protect the openness of the Green Belt. To accord with Local Planning Policies LP21, LP22 and LP24 of the Kirklees Local Plan and policies within Chapters 9 and 13 of the National Planning Policy Framework.

6. There shall be no external storage within the area outlined in red upon drawing 353-25-PL04 Revision A, drawing titled Location Plan.

Reason: For the avoidance of doubt as to what is being approved and in the interests of visual amenity and preserving the openness of the Green Belt to accord with policies LP10, LP24 and LP60 of the Kirklees Local Plan and policies within Chapters 12 and 13 of the National Planning Policy Framework.

7. The development hereby approved shall not be brought into use until all areas to be used for access, parking, loading, unloading and maneuvering have been laid out, surfaced and made available for use. The areas shall thereafter be retained for those purposes and kept free from obstruction at all times.

Reason: In the interests of highway safety and to accord with Policy LP21 of the Kirklees Local Plan and Chapter 10 of the National Planning Policy Framework 2024.

8. The soft landscaping shown on approved plan 353-25-PL02 Revision C, drawing titles Proposed Site Layout, shall be retained and maintained for the lifetime of the development. Any trees, shrubs, hedgerows or planted areas which are removed, die, become severely damaged or diseased within a period of 5 years from the date of planting shall be replaced in the next available planting season with others of a similar size and species, unless otherwise agreed in writing by the Local Planning Authority.

Reason: In the interests of visual amenity, in accordance with Policy LP24 of the Kirklees Local Plan and Chapter 12 of the National Planning Policy Framework.

9. In the event that contamination not previously identified by the developer prior to the grant of this planning permission is encountered during the development, all works on site (save for site investigation works) shall cease immediately and the Local Planning authority shall be notified in writing within 2 working days. Works on site shall not recommence until either:

- a) a Remediation Strategy has been submitted to and approved in writing by the Local Planning Authority or,
- b) the Local Planning Authority has confirmed in writing that remediation measures are not required. The Remediation Strategy shall include a timetable for the implementation and completion of the approved remediation measures. Thereafter remediation of the site shall be carried out and completed in accordance with the approved Remediation Strategy.

Following completion of any measures identified in the approved Remediation Strategy a Validation Report shall be submitted to the Local Planning Authority. Unless otherwise approved in writing by the Local Planning Authority, no part of the site shall be brought into use until such time as the whole site has been remediated in accordance with the approved Remediation Strategy and a Validation Report in respect of those works has been approved in writing by the Local Planning Authority.

Reason: To identify and remove unacceptable risks to human health and the environment and in accordance with Policy LP53 of the Kirklees Local Plan and the National Planning Policy Framework.

NOTE: It is a requirement of paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 that a Biodiversity Net Gain Plan is submitted to, and approved in writing by the Local Planning Authority prior to the commencement of development.

NOTE: The granting of planning permission does not authorise the carrying out of works within the highway, for which the written permission of the Council as Highway Authority is required. You are required to consult the Design Engineer (Kirklees Street Scene: 01484 221000) regarding obtaining this permission and approval of the construction specification. Please also note that the construction of vehicle crossings within the highway is deemed to be major works for the purposes of the New Roads and Street Works Act 1991 (Section 84 and 85). Interference with the highway without such permission is an offence which could lead to prosecution.

NOTE: All contamination reports shall be prepared by a suitably competent person, as defined in Annex 2 of the National Planning Policy Framework 2021.

Reports must be prepared in accordance with the following guidance:

- Land Contamination Risk Management (LCRM)
- BS 10175:2011+ A2:2017 Investigation of Potentially Contaminated Sites. Code of Practice
- Development on Land Affected by Contamination - Technical Guidance for Developers, Landowners & Consultants - (v11.2) June 2020 by the Yorkshire and Lincolnshire Pollution Advisory Group.

The conditions relate to Planning Control only. Approval under the Building Regulations may also be required, and the applicant should contact their Building Control Provider for further information. Any other necessary consent must be obtained from the appropriate authority. If the applicant commences work without discharging conditions, they will be at risk of enforcement action and invalidating the permission if the planning condition is a pre commencement condition.

NOTE: No construction related noise shall be audible beyond the site boundary outside the hours of:

- 07.30 to 18.30 hours Mondays to Fridays
- 08.00 to 13.00 hours, Saturdays with no construction related noise audible beyond the site boundary on Sundays or Public Holidays.

Kirklees Council has powers under Section 60 of the Control of Pollution Act 1974 to control noise from construction sites and may serve a notice imposing requirements on the way in which construction works are to be carried out. It has additional powers under Sections 80 of the Environmental Protection Act 1990 to prevent statutory nuisance including noise, dust, smoke and artificial light and must serve an abatement notice when it is satisfied that a statutory nuisance exists or is likely to occur or recur. Failure to comply with a notice served using the above-mentioned legislation would be an offence for which the maximum fine on summary conviction is unlimited.

NOTE: The applicant is reminded that if any evidence of bats, nesting birds, or other protected species is found during the course of works, all activity must cease immediately, and advice should be sought from a suitably qualified ecologist. It is an offence under the Wildlife and Countryside Act 1981 (as amended) and the Conservation of Habitats and Species Regulations 2017 to disturb, or harm protected species or their habitats. Failure to comply with the legislation could result in prosecution.

Pursuant to article 35 (2) of the Town and Country Planning (Development Management Procedure) Order 2024 and guidance in the National Planning Policy Framework, the Local Authority have, where possible, made a pre-application advice service available, complied with the Kirklees Development Management Charter 2024 and otherwise actively engaged with the applicant in dealing with the application.

Additional photographs were submitted with the application to confirm that there was not a reasonable likelihood of bats or birds. Amended “Proposed Site Layout” and “Proposed Floor Plan & Elevations” were submitted by the applicant on 24th March 2026. The Local Planning Authority (LPA) accepted the amended plans for consideration. Public re-consultation was not considered necessary as the plans did not materially alter the scope of the development nor the description of development.

Building Regulations Approval is required for most work involving building operations and/or structural alterations. It is the applicant’s responsibility to find out if the work permitted by this planning permission needs approval under the Building Regulations, and if necessary to submit an application. If you are not the applicant can you please ensure the applicant is aware of this requirement. Contact Building Control on Tel No: (01484) 221550 for more information.

It is the applicant's responsibility to find out whether any works approved by this planning permission, which involve excavating or working near public highway and any highway structures including retaining walls, will require written approval from the Council’s Highways Structures Section. Please contact the Highways Structures Section on Tel No. 01484-221000 Ext 74199 for further advice on this matter.

Details Reserved by Condition

- This permission has been granted subject to conditions. Some of the conditions may require you to submit further details. These conditions normally contain the wording “submitted to and approved in writing by the Local Planning Authority”.
- You can apply online for approval of these details at the Planning Portals website at www.planningportal.gov.uk. Alternatively the forms and supporting guidance for submitting an application can be found online at www.kirklees.gov.uk/planning.

- This Authority recognises the need to ensure that you are able to develop the site as effectively and flexibly as possible. However, at the same time it must ensure that development is in accordance with the terms of the planning conditions and legal agreement and the expectations of elected members and local residents set through the decision process.
- You should note the triggers for compliance with the conditions of this planning permission. This Authority is committed to processing applications to discharge conditions in a timely manner. It is important to ensure that submissions are made as far in advance of the trigger to allow time for adequate consultation, discussion and in some circumstances publicity.
- It is important that applications to discharge conditions are accompanied by sufficient information to enable this Authority and its consultees to fully consider and determine the proposals. Whilst officers will endeavour to negotiate solutions, failure to provide a comprehensive submission may result in delay and refusal of the application.
- If you commence work without discharging conditions you are at risk of enforcement action and invalidating your permission if the planning condition is a pre commencement condition.

Development within a Coal Mining Area

DEVELOPMENT LOW RISK AREA - STANDING ADVICE

The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Mining Remediation Authority on 0345 762 6846 or if a hazard is encountered on site call the emergency line 0800 288 4242.

Further information is also available on the Mining Remediation Authority website at: [Mining Remediation Authority - GOV.UK](http://MiningRemediationAuthority.gov.uk)

Digital Infrastructure: Fibre To The Property (FTTP)

Access to affordable and reliable broadband is necessary for Kirklees' residents, businesses, and visitors to take advantage of the growing digital economy and 'digital by default' services. Fibre optic cables direct to a property (FTTP) is the most reliable way of delivering high speed broadband connectivity and allows for gigabit internet speeds. Access to high quality digital infrastructure provides the foundations for, amongst other things:

- Economic prosperity – workforces that are digitally-literate enables business to thrive.
- Digital literacy – digital literacy and skills increase employability and people can exploit the internet for transactional, social, entertainment and learning purposes.
- New services – digital delivery can lower costs and provide innovative public and health services more conveniently.

It is therefore advised that digital infrastructure, including FTTP, and its benefits for the development be considered from the earliest feasible stage. Methods include working with Internet Service Providers to install digital infrastructure alongside other utilities or providing pre-infrastructure allowing for speedier installation at a later date.

Note: The provision of fibre infrastructure is often available from certain telecommunications providers free of charge for development over a certain scale, provided that sufficient notice is given. Notice periods are typically at least 12 months prior to first occupation. In some cases, providers may request a contribution from the developer.

Note: Where no telecommunications provider has been secured to provide fibre infrastructure by the time of highway construction, it is advised that additional dedicated telecommunications ducting is incorporated alongside other utilities to enable the efficient and cost effective provision of fibre infrastructure in the future.

Where the application has been publicised by notice(s) in the vicinity of the site. It is respectfully requested that the notice(s) now be removed and responsibly disposed of to avoid harm to the appearance of the area

Appeals to the Secretary of State

- If you are aggrieved by the decision of your Local Planning Authority to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
- If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your Local Planning Authority's decision on your application, then you must do so within:
 - i) 28 days of the date of service of the enforcement notice, or
 - ii) within the specified period, starting on the date of this notice,whichever period expires earlier.
- If you want to appeal against your Local Planning Authority's decision then you must do so within the specified period, starting on the date of this notice.
- The "specified period" is 12 weeks where the development relates to a "minor commercial application" as defined within the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), or 6 months in any other case.
- Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at <https://www.gov.uk/appeal-planning-decision>. Further information on the Planning Appeal process can be found online at the Planning Inspectorates website <https://www.gov.uk/government/organisations/planning-inspectorate>.
- You must use the correct Planning Appeal Form when making your appeal. If requesting forms from the Planning Inspectorate, please state the type of application that the appeal relates to so they can send you the appeal form you require.
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

Please note, only the applicant possesses the right of appeal.

Purchase Notices

- If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
