

Town and Country Planning Act 1990

**Town and Country Planning (Development Management Procedure) (England)
Order 2015**

REFUSAL OF PERMISSION FOR DEVELOPMENT

Application Number: 2026/62/90709/E

To: Nadir Khan
1, New Adel Avenue
Adel
Leeds
LS16 6BE

For: F Arafath

In pursuance of its powers under the above-mentioned Act and Order the KIRKLEES COUNCIL (hereinafter called "The Council") as Local Planning Authority hereby refuses to permit:-

**CHANGE OF USE OF PART OF EXISTING RESIDENTIAL KITCHEN TO
ALLOW SMALL SCALE HOME COOKING FOR TAKE AWAY AND DELIVERY**
At: 15, WARWICK ROAD, BATLEY, WF17 6BU

In accordance with the plan(s) and applications submitted to the Council on 12-Mar-2026. The reasons for the Council's decision to refuse permission for the development are:

1. The development is for a hot food takeaway within 400m of the principal entry point to a primary school, specifically Warwick Road Primary School and proposed to operate between the hours of 3pm - 5pm on weekdays. The application has a combined score of 28 which would significantly exceed the recognised acceptable limits set out in the Council's Public Health Toolkit. The development would therefore have a detrimental impact in an area of Kirklees with an identified poor health need. As such, the proposal would fail to accord with Policy LP47 (j) of the Kirklees Local Plan, policies HFT1 & HFT3 of the Council's adopted Hot Food Take Away SPD and policies within Chapter 8 of the National Planning Policy Framework.

2. In accordance with Policy LP13 and LP16 of the Kirklees Local Plan and Chapter 7 of the National Planning Policy Framework, Local Planning Authorities must apply a sequential approach to Main Town Centre uses that are not located within an existing centre. The applicant has failed to demonstrate, through submission of a sequential test, that the proposal would not harm the viability and vitality of nearby Town Centres. Therefore, the proposal would be contrary to Policies LP2 and LP13 of the Kirklees Local Plan and Chapter 7 of the National Planning Policy Framework.

3. The applicant has failed to demonstrate that waste storage or facilities for the disposal of customer's litter can be accommodated within the application site such that this can be adequately screened in a manner and location that does not detract from the street scene or the character of the area; or that does not cause odour nuisance to neighbouring occupiers. Therefore, the proposal would be harmful to visual and residential amenity contrary to Policies LP16, LP21, LP24 and LP52 of the Kirklees Local Plan and policy HFT5 the Council's adopted Hot Food Takeaway Supplementary Planning Document.

4. By reason of insufficient information, the applicant has failed to demonstrate that the use of the site as a commercial kitchen with hot food prepared on site to be taken away, would not result in a harmful impact to the amenity of the occupiers of nearby residential units in terms of odour and noise. To permit the development would be contrary to Policies LP24 and LP52 of the Kirklees Local Plan HFT4, HFT5, & HFT6 of the Council's adopted Hot Food Takeaway Supplementary Planning Document and policies within Chapters 9, 12, 14 and 15 of the National Planning Policy Framework.

Pursuant to article 35 (2) of the Town and Country Planning (Development Management Procedure) Order 2015 and guidance in the National Planning Policy Framework, the Local Planning Authority have, where possible, made a pre-application advice service available, complied with the Kirklees Development Management Charter 2015 and otherwise actively engaged with the applicant in dealing with the application. Due to the principle of the proposal being considered unacceptable and the application containing several omissions, amended plans have not been sought.

Development within a Coal Mining Area

The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Mining Remediation Authority on 0345 762 6846 or if a hazard is encountered on site call the emergency line 0800 288 4242.

Further information is also available on the Mining Remediation Authority website at: [Mining Remediation Authority - GOV.UK](http://MiningRemediationAuthority.gov.uk)

Digital Infrastructure: Fibre To the Property (FTTP)

Access to affordable and reliable broadband is necessary for Kirklees' residents, businesses, and visitors to take advantage of the growing digital economy and 'digital by default' services. Fibre optic cables direct to a property (FTTP) is the most reliable way of delivering high speed broadband connectivity and allows for gigabit internet speeds. Access to high quality digital infrastructure provides the foundations for, amongst other things:

- Economic prosperity – workforces that are digitally-literate enables business to thrive.
- Digital literacy – digital literacy and skills increase employability and people can exploit the internet for transactional, social, entertainment and learning purposes.
- New services – digital delivery can lower costs and provide innovative public and health services more conveniently.

It is therefore advised that digital infrastructure, including FTTP, and its benefits for the development be considered from the earliest feasible stage. Methods include working with Internet Service Providers to install digital infrastructure alongside other utilities or providing pre-infrastructure allowing for speedier installation at a later date.

Note: The provision of fibre infrastructure is often available from certain telecommunications providers free of charge for development over a certain scale, provided that sufficient notice is given. Notice periods are typically at least 12 months prior to first occupation. In some cases, providers may request a contribution from the developer.

Note: Where no telecommunications provider has been secured to provide fibre infrastructure by the time of highway construction, it is advised that additional dedicated telecommunications ducting is incorporated alongside other utilities to enable the efficient and cost-effective provision of fibre infrastructure in the future.

Where the application has been publicised by notice(s) in the vicinity of the site. It is respectfully requested that the notice(s) now be removed and responsibly disposed of to avoid harm to the appearance of the area

Appeals to the Secretary of State

- If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
- If an enforcement notice is served or has been served relating to the same or substantially the same land and development as in your application and if you want to appeal against the local planning authority's decision on your application, then you must do so within:
 - i) 28 days from the date of this notice where the enforcement notice has been served,
 - ii) 28 days of the date of service of the enforcement notice or,
 - iii) the specified period starting from the date of this notice,whichever period expires earlier.
- If you want to appeal against your Local Planning Authority's decision then you must do so within the specified period, starting on the date of this notice.
- The "specified period" is 12 weeks where the development relates to a "minor commercial application" as defined within the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), or 6 months in any other case.
- Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at [the Planning Inspectorate website](#)
Further information on the Planning Appeal process can be found online at [the Planning Inspectorates website](#)
- You must use the correct Planning Appeal Form when making your appeal. If requesting forms from the Planning Inspectorate, please state the type of application that the appeal relates to so they can send you the appeal form you require.
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

Please note, only the applicant possesses the right of appeal.

Purchase Notices

- If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

An important part of improving our service is to review your feedback on the way that we have dealt with your planning application(s). Please take a couple of minutes to email your comments to dc.admin@kirklees.gov.uk so that we can work on continually improving our customer service. Thank you.
