

Appendix A – Climate Change Statement

Climate Change Statement for Planning Applications

Part 1: Applicant details

Name of applicant/agent	Applicant name Bilal Altaf
Site Address	54 Meltham Road lockwood Huddersfield
Description of Development	Change of use from dwelling(C3 use) into 2no apartments (C3 use)

Part 2: Climate Change Mitigation measures

Please respond to the following questions considering the measures set out in the Climate Change Guidance note:
Q1: What measures have been/will be taken to reduce the energy demand associated with your proposed development beyond the minimum required in Building Regulations? (See section 2)
dual flush toilets and LED light bulbs
Q2: What measures have been/will be taken to limit the carbon consumed through the implementation and construction processes, e.g. by reusing existing on-site materials or sourcing materials locally? (See section 3)
building materials sourced locally and also using local skilled labours to minimise travelling
Q3: What measures have been/will be taken to utilise renewable or low carbon energy sources? (See section 4)

Potential solar panels (can be fitted retrospectively) or provide EVCP at rear
Q4: What measures have been/will be taken to ensure the building design and layout has been optimised to energy efficiency beyond the minimum requirements in Part L of the Building Regulations ? (See section 5)
All existing windows are already double glazing
Q5: What measures have been/will be taken to reduce potential impacts of flooding associated with your proposed development? (See section 6)
it is not within a flood zone.
Q6: What measures have been/will be taken to reduce water stress associated with your proposed development? (e.g. Water retention and minimisation measures) (See sections 7 and 8)
It is anticipated that 125litres of water is used daily by 1 person
Q7: What measures have been/will be taken to provide biodiversity net gains? (See section 8)
BNG is not affected as it is internal refurbishments
Q8: What measures have been/will be taken to reduce air pollution associated with your proposed development? (See section 9)
Air pollution is not affected as it is already a dwelling and is slightly tucked away from main Meltham Road
