<p>Consultee Responses [id 1136423] states that the proposed new double garage is in addition to the existing double garage on the plot, but the plans seem to suggest that it is replacing the existing garage, please can this be clarified.</p> <p>I object to the location of the new garage, also the size, scale, and proximity to the neighbouring boundry, and that it is directly in front of the existing dwelling, which is not to the recommended planning guidlines, and has a negative affect visually from the Halifax Road side.</p>
