Residing a stone throw away from this very location, I strongly object and so do my fellow neighbours, we have been living here as a close community for decades, after reviewing this i and 11 others who live within close proximity object, there is a petrol station literally half a mile on the very same road on Wakefield road, I have done a petition and will be submitting these to the council in due course, if you feel the need to contact me please feel free to reach out to me, we are a small village, we have shops all within half a mile and a grange moor mini market.
