Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
Our family has served the local community for generations and we are deeply concerned that large companies moving to the area will undercut existing local businesses and harm the local trade. This will impact both local residents and farmers who rely on fair competition and support. Damage to local independent businesses due to unfair competition from large companies. Negative impact on local farmers and suppliers who depend on community focused trade Lack of necessity, given existing supermarkets and fuel services nearby on Wakefield Road.
