

Punford Cottage
4 Near Bank
HD8 8LS
30th April 2026

Applic No 2026/60/90804/E

I wish to object to the above planning application on the grounds of the increase in traffic this development would incur.

The site is opposite Barncliffe Mills which in itself generates extra traffic along Near Bank to the extent of parking on both sides of the road causing local residents concern and hardship in access along this stretch of road.

We are experiencing heavy goods vehicles down and up Near Bank causing

calls to be demolished and
not built back up.

This road especially the old
bridge cannot take any
more traffic. Its become
a rat run.

Again the local wildlife will
suffer through further development
in this area.

We require some form of
tree screening so residents
on top of Near Bank are
not looking onto it. As with
the rest of the mill complex.
Bungalows would be a
better option.

Regards
