Dear Sirs,

Please find enclosed the online application for a Section 73a to Kingsgate Shopping Centre.

This application comes offering variation of condition relative to the Zetland Street elevation proposing that the previously consented scheme has further design alteration to offer a consistent approach to all the shopfronts to this area by way of glazing and masonry panel above.

We consider the revised proposals appropriately balanced and uniform in approach, in keeping with the general design intent overall.

The application consists of;

A minor amendment fee of £586.00 and a handling fee of £85.00
Drawing (05)001 Revision N – consented application drawing
Drawing 2006-001-DLA-ZZ-ZZ-D-A-000001 – revised application drawing

Yours faithfully,
