

Town and Country Planning Act 1990

**Town and Country Planning (Development Management Procedure) (England)
Order 2015**

OUTLINE PLANNING PERMISSION

Application Number: 2026/60/90830/W

To: Sara Heneghan
Heneghan Architecture
Unit 16, Queens Square
Huddersfield Road
Honley
Holmfirth
HD9 6QZ

For: A Withington

**In pursuance of its powers under the above-mentioned Act and Order the
KIRKLEES COUNCIL (hereinafter called "The Council") as Local Planning
Authority hereby permits:-**

OUTLINE APPLICATION FOR ERECTION OF RESIDENTIAL DEVELOPMENT

At: ADJ, 711, NEW HEY ROAD, OUTLANE, HUDDERSFIELD, HD3 3YL

**In accordance with the plan(s) and applications submitted to the Council on
27-Mar-2026, subject to the condition(s) specified hereunder:-**

1. Approval of the details of appearance, scale and landscaping of the site (hereinafter called the 'reserved matters') shall be obtained from the Local Planning Authority in writing before development is commenced.

Reason: No details of the matters referred to having been submitted they are reserved for the subsequent approval in writing of the Local Planning Authority.

2. Plans and particulars of the reserved matters referred to in Condition 1 above, relating to access, appearance, layout, scale and landscaping of the site, shall be submitted in writing to the Local Planning Authority and shall be carried out in full accordance with the approved plans.

Reason: No details of the matters referred to having been submitted they are reserved for the subsequent approval in writing of the Local Planning Authority.

3. Application for approval of any reserved matters shall be made to the Local Planning Authority before the expiration of three years from the date of this permission.

Reason: Pursuant to the requirements of Section 92 of the Town and Country Planning Act 1990.

4. The development hereby permitted shall be begun either before the expiration of two years from the final approval of reserved matters or, in the case of approval on different dates, the final approval of the last such matter to be approved.

Reason: Pursuant to the requirements of Section 92 of the Town and Country Planning Act 1990.

5. The residential development hereby approved shall not exceed a maximum number of four dwellings.

Reason: For the avoidance of doubt as to what is authorised by this permission and to ensure that the development conforms to the approved outline planning permission and stays within the assessed level of development.

6. The development shall not be brought into use until all areas to be hard surfaced for access and parking have been and out with a hardened and drained surface in accordance with the Communities and Local Government; and Environment Agency's 'Guidance on the permeable surfacing of front gardens (parking areas)' published 13th May 2009 (ISBN 9781409804864) as amended or any successor guidance. These areas shall be so retained, free of obstructions and available for access and parking.

Reason: In the interests of visual amenity, highway safety and to mitigate flood risk. To accord with Policies LP21, LP22, LP24 and LP28 of the Kirklees Local Plan.

7. Notwithstanding the approved details, no works shall take place until an updated Biodiversity Metric Calculation (using the most up-to-date version approved by Natural England) demonstrating how a minimum 10% Biodiversity Net Gain will be achieved and a net gain plan shall be provided which details of the habitat types, locations, creation and enhancement measures, and 30-year management and monitoring arrangements.

Where off-site units or biodiversity credits are proposed, full details and evidence of how these will be secured.

The development shall be carried out in accordance with the approved Plan, and the biodiversity enhancements shall be implemented prior to occupation and maintained for a minimum of 30 years.

Reason: To ensure the development delivers measurable biodiversity net gain in accordance with Policy LP30 of the Kirklees Local Plan, Chapter 15 of the National Planning Policy Framework, and the Environment Act 2021.

8. Prior to the installation of any external lighting, a detailed lighting scheme, developed in accordance with established guidance (e.g. Bat Conservation Trust and Institute of Lighting Professionals (2023) Bats and Artificial Lighting at Night), shall be submitted to, and approved in writing by, the Local Planning Authority. The Sensitive Lighting Strategy will demonstrate that the proposed lighting will not impact upon ecological networks and/or sensitive features. All external lighting shall be installed strictly in accordance with the specifications and locations set out within the approved lighting scheme.

Reason: In the interests of biodiversity and in accordance with Policy LP30 and Chapter 15 of the National Planning Policy Framework 2024.

9. No works shall take place until a Construction Environmental Management Plan (CEMP: Biodiversity) has been submitted to and approved in writing by the Local Planning Authority. The CEMP (Biodiversity) shall include the following:

- a) Summary of potentially damaging activities
- b) Identification of "biodiversity protection zones"
- c) Practical measures (both physical measures and sensitive working practices) to avoid or reduce impacts during construction (these may be provided as a set of method statements)
- d) The location and timing of sensitive works to avoid harm to biodiversity features.
- e) The times during construction when specialist ecologists need to be present on site to oversee works.
- f) Responsible persons and lines of communication.
- g) The role and responsibilities on site of an ecological clerk of works (ECoW) or similarly competent person.
- h) Use of protective fences, exclusion barriers and warning signs.

The approved CEMP: Biodiversity shall be adhered to and implemented throughout the construction period strictly in accordance with the approved details, unless otherwise agreed in writing by the Local Planning Authority.

Reason: In the interests of biodiversity and in accordance with Policy LP30 of the Kirklees Local Plan and Chapter 15 of the National Planning Policy Framework 2024. This is a pre-commencement condition to protect habitats and species during construction.

10. In the event that contamination not previously identified by the developer is encountered during the development, all groundworks in the affected area (except for site investigation works) shall cease immediately and the Local Planning Authority shall be notified in writing within 2 working days. Groundworks in the affected area shall not recommence until either (a) a Remediation Strategy has been submitted to and approved in writing by the Local Planning Authority or (b) the Local Planning Authority has confirmed in writing that remediation measures are not required. The Remediation Strategy shall include a timetable for the implementation and completion of the approved remediation measures.

Thereafter remediation of the site shall be carried out and completed in accordance with the approved Remediation Strategy. Following completion of any measures identified in the approved Remediation Strategy a Validation Report shall be submitted to the Local Planning Authority. Unless otherwise approved in writing by the Local Planning Authority, No part of the site shall be brought into use until such time as the site has been remediated in accordance with the approved Remediation Strategy and a Validation Report in respect of those works has been approved in writing by the Local Planning Authority.

Reason: To ensure that risks from land contamination to the future users of the land and neighbouring land are minimised, together with those to controlled waters, property and ecological systems, and to ensure that the development can be carried out safely without unacceptable risks to workers, neighbours and other offsite receptors to accord with LP53 of the Kirklees Local Plan and policies contained within Chapter 15 of the National Planning Policy Framework.

NOTE: The applicant is advised that any works to create or alter a vehicular access to the public highways, including the installation or alteration of dropped kerbs, will require a separate application to the Council as the Local Highways Authority. Approval under the Highways Act 1980 must be obtained prior to any such works commencing.

NOTE: It is a requirement of paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 that a Biodiversity Net Gain Plan is submitted to, and approved in writing by the Local Planning Authority.

NOTE: Careful consideration should be given at reserved matters stage to ensure the proposed development takes into consideration the character of the surrounding area and all other material planning considerations in line with the Kirklees Local Plan, Housebuilder's Design Guide SPD and the National Planning Policy Framework.

Plans and specifications schedule: -

Plan Type	Reference	Version	Date Received
Location Plan			27.03.2026
Proposed Access Layout	P02	March 2026	22.05.2026
BNG Report			27.03.2026
Transport Assessment			27.03.2026
Preliminary Ecological Appraisal			27.03.2026

Pursuant to article 35 (2) of the Town and Country Planning (Development Management Procedure) Order 2024 and guidance in the National Planning Policy Framework, the Local Authority have, where possible, made a pre-application advice service available, complied with the Kirklees Development Management Charter 2024 and otherwise actively engaged with the applicant in dealing with the application.

Officers requested revisions to the proposal to remove the additional access point on the north eastern boundary of the site.

It is the applicant's responsibility to find out whether any works approved by this planning permission, which involve excavating or working near public highway and any highway structures including retaining walls, will require written approval from the Council's Highways Structures Section. Please contact the Highways Structures Section on Tel No. 01484-221000 Ext 74199 for further advice on this matter.

Details Reserved by Condition

- This permission has been granted subject to conditions. Some of the conditions may require you to submit further details. These conditions normally contain the wording "*submitted to and approved in writing by the Local Planning Authority*".
- You can apply online for approval of these details at [the Planning Portals website](#). Alternatively, the forms and supporting guidance for submitting an application can be found online at [Kirklees Council Planning Website](#).
- This Authority recognises the need to ensure that you are able to develop the site as effectively and flexibly as possible. However, at the same time it must ensure that development is in accordance with the terms of the planning conditions and legal agreement and the expectations of elected members and local residents set through the decision process.
- You should note the triggers for compliance with the conditions of this planning permission. This Authority is committed to processing applications to discharge conditions in a timely manner. It is important to ensure that submissions are made as far in advance of the trigger to allow time for adequate consultation, discussion and in some circumstances publicity.
- It is important that applications to discharge conditions are accompanied by sufficient information to enable this Authority and its consultees to fully consider and determine the proposals. Whilst officers will endeavour to negotiate solutions, failure to provide a comprehensive submission may result in delay and refusal of the application.
- If you commence work without discharging conditions you are at risk of enforcement action and invalidating your permission if the planning condition is a pre commencement condition.

Development within a Coal Mining Area

DEVELOPMENT LOW RISK AREA - STANDING ADVICE

The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Mining Remediation Authority on 0345 762 6846 or if a hazard is encountered on site call the emergency line 0800 288 4242.

Further information is also available on the Mining Remediation Authority website at: [Mining Remediation Authority - GOV.UK](http://www.mra.gov.uk)

Digital Infrastructure: Fibre To The Property (FTTP)

Access to affordable and reliable broadband is necessary for Kirklees' residents, businesses, and visitors to take advantage of the growing digital economy and 'digital by default' services. Fibre optic cables direct to a property (FTTP) is the most reliable way of delivering high speed broadband connectivity and allows for gigabit internet speeds. Access to high quality digital infrastructure provides the foundations for, amongst other things:

- Economic prosperity – workforces that are digitally-literate enables business to thrive.
- Digital literacy – digital literacy and skills increase employability and people can exploit the internet for transactional, social, entertainment and learning purposes.
- New services – digital delivery can lower costs and provide innovative public and health services more conveniently.

It is therefore advised that digital infrastructure, including FTTP, and its benefits for the development be considered from the earliest feasible stage. Methods include working with Internet Service Providers to install digital infrastructure alongside other utilities or providing pre-infrastructure allowing for speedier installation at a later date.

Note: The provision of fibre infrastructure is often available from certain telecommunications providers free of charge for development over a certain scale, provided that sufficient notice is given. Notice periods are typically at least 12 months prior to first occupation. In some cases, providers may request a contribution from the developer.

Note: Where no telecommunications provider has been secured to provide fibre infrastructure by the time of highway construction, it is advised that additional dedicated telecommunications ducting is incorporated alongside other utilities to enable the efficient and cost effective provision of fibre infrastructure in the future.

Where the application has been publicised by notice(s) in the vicinity of the site. It is respectfully requested that the notice(s) now be removed and responsibly disposed of to avoid harm to the appearance of the area

Appeals to the Secretary of State

- If you are aggrieved by the decision of your Local Planning Authority to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
- If an enforcement notice is served or has been served relating to the same or substantially the same land and development as in your application and if you want to appeal against the Local Planning Authority's decision on your application, then you must do so within:
 - i) 28 days from the date of this notice where the enforcement notice has been served,
 - ii) 28 days of the date of service of the enforcement notice or,
 - iii) the specified period starting from the date of this notice,whichever period expires earlier.
- If you want to appeal against your Local Planning Authority's decision then you must do so within the specified period, starting on the date of this notice.
- The "specified period" is 12 weeks where the development relates to a "minor commercial application" as defined within the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), or 6 months in any other case.
- Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or at [the Planning Inspectorates website](#). Further information on the Planning Appeal process can be found online at [the Planning Inspectorates website](#)
- You must use the correct Planning Appeal Form when making your appeal. If requesting forms from the Planning Inspectorate, please state the type of application that the appeal relates to so they can send you the appeal form you require.
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

Please note, only the applicant possesses the right of appeal.

Purchase Notices

- If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

An important part of improving our service is to review your feedback on the way that we have dealt with your planning application(s). Please take a couple of minutes to email your comments to dc.admin@kirklees.gov.uk so that we can work on continually improving our customer service. Thank you.

Dated: 08-Jun-2026

Signed:

David Shepherd
Executive Director for Place

Decision Documents

The decision notice indicates which documents relate to the decision. These documents can be viewed online at the Planning Services website at [Kirklees Council Planning](https://www.kirklees.gov.uk/planning), and by clicking on the 'search and view existing planning applications and decisions' and by searching for application number 2026/60/90830/W.

If a paper copy of the decision notice or decided plans are required, please email dc.admin@kirklees.gov.uk or telephone 01484 414746 with the application number. There may be a charge for this service.

All communications should be sent to one of the following address:
