Hi Stephen

Thank you for your email

I can confirm receipt of your report on selected building recording at Turnbridge Mills for submission to the HER.

Best wishes
Rhona

Subject: Turnbridge Mills, Huddersfield

Hi Rhona

I attach a report on selected building recording at Turnbridge Mills (MWY12472), for submission to the HER.

The work was carried out with the aim of precluding a recording condition on planning and LBC applications which are currently under consideration.

I would be very grateful if you could confirm receipt, so I can provide evidence of that to Kirklees council.

I will send another email with another report for the site.

Regards

Stephen
