<p>I strongly object to the planning application in regards to the change of 26 Thornleigh Road from a residential dwelling to a children's care home. This will increase the number of vehicles on an already busy road. One children's care home namely number 24 Thornleigh Road is already one too many. This will impact even more on the residential character of the area and again I feel this is certainly not suitable for the change of use from a residential dwelling to a children's home.</p>
