<p>As per the other comments . These plans are out of date and behind this request is a new build at 3a Croft Drive . Which will be on top of this request . Infact all houses between 1-7 Croft Drive will be closer to this annex than the owners who have requested . Parking at front holds 2 slots not 3 and as meltham road / grasscroft has enough carparking issues (and kirklees council are adding additional double yellows around the same area) due to commercial usage .) traffic to said annex is via a 1 m path so the whole garden will have to be dug up for sewage and electric over 20 metres long</p>
