 No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

Install solar panels to reduce my energy consumption form the grid by around 50%  
Replace wooden gates with aluminium gates of same dimensions which are electrically operated  
Reduce the boundary at the front of my property from 2.75m to 1.85m by removing the evergreen hedge and restoring the wall (currently showing damage at the base from the roots of the hedge)

Does the proposal consist of, or include, a change of use of the land or building(s)?

- Yes  
 No

Has the proposal been started?

## Grounds for Application

### Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

Existing private dwelling.  
  
I am proposing to move to use renewable energy to supply c50% of the power requirements for my home.

Select the use class that relates to the existing or last use.

### Information about the proposed use(s)

Select the use class that relates to the proposed use.

C3 - Dwellinghouses

Is the proposed operation or use

- Permanent  
 Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The works intended would, I am led to believe, ordinarily be eligible as permitted development however there are no permitted development rights remaining on this property. Having contacted Kirklees Council they have instructed me to make this application.

### Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- Yes  
 No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff  
(b) an elected member  
(c) related to a member of staff  
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes  
 No

Please state the applicant's interest in the land

- Owner
- Lessee
