<p>I would like to support the proposed nursery at Soothill Working Men's Club, Batley.</p> <p>As a parent, I know how difficult it can be to find suitable childcare locally. There is a clear need for more high-quality nursery provision in the area, and this development would be a great benefit to families like mine.</p> <p>The location is convenient and well-suited, and the availability of ample on-site parking will help ensure drop-offs and collections are safe and do not impact surrounding roads.</p> <p>I fully support this application as it will provide essential support to working families in the community.</p>
