Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

This building forms a critical phase of the ongoing upgrading of Woolrow Farm's livestock accommodation and, having started the enabling earthworks, the Farm's requirements have changed for this building. It's location is needed to be closer to building 3 (Young Stock Unit) and also to increase in size for improved welfare space and operational efficiency. The revised proposals sit well within the original red line boundary and are closer to the existing buildings than the originally approved scheme.

If you wish the existing condition to be changed, please state how you wish the condition to be varied

amended to change approved drawings to those submitted with this application ie
