Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
The main issue with respect to this application is the lack of car parking in Birstall and in Chapel Lane in particular. Users of the church and school frequently cannot find car parking and at times resort to illegal parking. Alternatively, cars are parked in Brookroyd Lane on the other side of the A64 in a continuous line to the start of Brownhill Road. The statement in the application of there being "ample" parking is incorrect.
