Subject: Fw: Planning Application 2026/91118 - Upper Soothill Community Centre

Dear Elenya,

I am writing in support of planning application 2026/91118 submitted by Upper Soothill Community Centre.

As a Councillor for Batley East, which includes the Upper Soothill area, I wish to place on record my support for this application and echo the comments already made by Cllr Habiban Zaman in support of the proposal.

Upper Soothill Community Centre plays an important role within the local community, and I support the application and the retention of the associated security measures.

Please treat this email as a formal expression of support for the application, and I would appreciate being kept updated on its progress.

Best wishes,

Cllr Akhtar Kasia

Batley East Ward

Kirklees Council
