Description of Proposed Works

Please describe the proposed works

Construction of a vehicle crossover to the front of the property to provide access to an existing off-street parking area. The front garden has already been lawfully converted into a hardstanding following the grant of a Lawful Development Certificate, including the installation of appropriate drainage measures. The proposed works relate solely to the formation of a dropped kerb to enable safe and lawful vehicular access from the highway.

Has the work already been started without consent?

- Yes
 No

Materials

Does the proposed development require any materials to be used externally?

- Yes
 No

Please provide a description of existing and proposed materials and finishes to be used externally (including type, colour and name for each material)

Type:
Vehicle access and hard standing

Existing materials and finishes:
Existing footway constructed in tarmacadam with standard concrete kerb units.

Proposed materials and finishes:
Proposed dropped kerb to be formed using standard concrete kerb units to match existing. Footway to be reinstated in tarmacadam to match the existing highway finish.

Are you supplying additional information on submitted plans, drawings or a design and access statement?

- Yes
 No

If Yes, please state references for the plans, drawings and/or design and access statement

Supporting Statement
Site Location Plan
Photographic Evidence of Existing Site (Post-Works)
Photographic Evidence of Site Prior to Development
Photographic Evidence of Nearby Properties with Existing Vehicle Crossovers
Copy of Lawful Development Certificate
Neighbour Consent Letters
Supporting Evidence of Accessibility Requirements

Trees and Hedges

Are there any trees or hedges on the property or on adjoining properties which are within falling distance of the proposed development?

- Yes
 No

Will any trees or hedges need to be removed or pruned in order to carry out your proposal?

- Yes
 No

Pedestrian and Vehicle Access, Roads and Rights of Way

Is a new or altered vehicle access proposed to or from the public highway?

- Yes
 No

Is a new or altered pedestrian access proposed to or from the public highway?

- Yes
 No

Do the proposals require any diversions, extinguishment and/or creation of public rights of way?

- Yes
 No

If Yes to any questions, please show details on your plans or drawings and state their reference numbers:

Not Applicable

Parking

Will the proposed works affect existing car parking arrangements?

- Yes
 No

If Yes, please describe:

The proposal will result in the formation of a dropped kerb to provide vehicular access to off-street parking at the property. This will lead to a minor reduction in on-street parking immediately outside the frontage.

Parking demand on New Hey Road is consistently high due to nearby facilities, including a hospital, pharmacy, and dental practices, as well as evening use associated with local venues such as the Masonic Hall and Marsh Liberal Club. As a result, on-street parking is frequently limited both during the day and in the evening.

The occupiers of the property experience ongoing difficulty in securing suitable parking. **Redacted**. The provision of off-street parking via a dropped kerb would significantly improve accessibility and safety.

The proposal is in keeping with the surrounding street, where a number of neighbouring properties have similar vehicle crossovers, and it is not considered that the development would result in any significant adverse impact on overall parking availability in the area.

The proposal will provide a safer and more practical means of access without compromising the overall function of the highway.

Biodiversity net gain

Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 sets out that every planning permission granted for the development of land in England shall be deemed to have been granted subject to the 'biodiversity gain condition' requiring development to achieve a net gain of 10% of biodiversity value.

This is subject to exemptions, an exemption applies in relation to planning permission for a development which is the subject of a householder application, within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order (2015)*.

Applicants for planning permission are required to make a statement as to whether they believe the biodiversity gain condition will apply if permission is granted, please confirm:

It is my belief that if permission is granted for the development to which this application relates the biodiversity gain condition would not apply

*A 'householder application' means an application for planning permission for development for an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse which is not an application for change of use or an application to change the number of dwellings in a building.

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- Yes
 No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- The agent
 The applicant
 Other person

Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

- Yes
 No

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes
- No

If yes, please provide details of their name, role, and how they are related:
