Comments

Thank you for your request for consultation on the above application. The comments are made with the intention of reducing opportunities for future crime and antisocial activity which addresses our collective responsibilities outlined in Section 17 of the Crime and Disorder Act 1998, by creating safe and secure developments where people will want to reside, visit or work.

The recommendations are supported by the following guidance:

NPPF National Planning Policy Framework (Section 8. Promoting healthy and safe communities) <https://www.gov.uk/government/publications/national-planning-policy-framework--2>

Kirklees Council Planning and development policy

<https://www.kirklees.gov.uk/beta/planning-and-development.aspx>

Kirklees Development Plan <https://www.kirklees.gov.uk/beta/planning-policy/local-plan.aspx>

Crime Prevention Through Environmental Design (CPTED)

This advice is given as a view as to what measures might reduce the risk of crime; there can be no guarantee that the recommendations will prevent crime.

Before any measures are implemented you are advised to consider current Health and Safety Legislation, Planning Permission and consult with your local Fire Safety Officer or any statutory body that may require notification or consultation.

Acquisitive Crime and Antisocial Behaviour Threat and Risk

The level of security at the site should align with any identified threat and risk and the proposed business of the end users. Therefore, it is advisable to adopt a pragmatic approach towards security requirements.

Risks of not considering security at an early stage:

1. Inadequate protection
2. Increased risk
3. Wasted resources due to theft/ damage/ antisocial behaviour, etc.
4. Delay, disruption and cost caused by retrofitting security measures post attack/ incident.
5. Reputational damage.

Current crime statistics in the locality:

I have conducted a search using WYP crime data and mapping tool. The search covered offences committed between 08/07/2025 and 08/07/2026. The search criteria included burglary business, robbery, arson, criminal damage and theft from person in Earlsheaton and Chickenley.

This returned 84 offences: 1x arson, 1x burglary business, 76x criminal damage (3x non-dwelling, 39x dwelling, 15x motor vehicle, 19x non-specific), 4x robbery, 2x theft from person.

Current ASB statistics in the locality:

I have conducted a search using WYP incident data and mapping tool. The search covered ASB/ nuisance type incidents which occurred in Earlsheaton and Chickenley between 08/07/2025 and 08/07/2026. This returned 90 incidents, 5 of which were in the vicinity of the premises. These related to nuisance motorcycles/ e-bikes, obstructive parking and an intoxicated, problematic customer at business premises.

West Yorkshire Police have no objection in principle to this application. The advice contained in this document should be considered and implemented by the applicant in the interest of crime prevention.

Kind regards,

Agnes
