<p>They appears to be no detailed parking within the plans for the house.</p> <p>You could easily expect 2 to 3 cars with a 5 bed detached property.</p> <p>Carlton Road is already congested with on street parking at times. Often too close to the junction with Huddersfield Road/ Carlton Road.</p> <p>Previous occupants parked their cars fully on the pavement to allow cars to pass by. But to the detriment of pedestrians who have to walk down the middle of the road.</p> <p>I would expect to see detailed off street parking with such a project.</p>
