## OFFICER RECOMMENDATION

### DISCHARGE OF CONDITION A.4 , SCHEDULE 2, PART 1, CLASS A GENERAL PERMITTED DEVELOPMENT ORDER

#### 1. Procedural Matters

Prior notifications for the erection of single storey rear extensions to dwellings are considered against the requirements as set out by the Town and Country Planning (General Permitted Development)(England) Order 2015 (as amended) Schedule 2, Part 1, Class A, condition A.4.

Proposals pursuant to Class A are permitted subject to limitations set out in paragraph A.1 and in the case of Class A.1 (g) subject to the discharge of condition A.4. This proposal relates to development pursuant to Class A where condition A.4 is engaged and for the purposes of this assessment only the limitations for Class A.1 (g) and requirements condition A.4 are considered. Other limitations within Class A are not considered other than where, in the opinion of the Local Planning Authority, the development does not comply with the limitations within Class A of the Order. Ultimately the responsibility to ensure the development is carried out in full accordance with any planning permission rests with the applicant or property owner/occupier.

#### Limitations for Class A.1(g) Development

Is the site within a Conservation Area, Article 4 or SSI area?	No
Is any part of the proposal clearly outside the curtilage of the dwellinghouse?	No
If the house is detached and from the information submitted, does the extension extend more than 8 metres from the rear of the original dwellinghouse?	N/A
If the house is not detached and from the information submitted, does the extension extend more than 6 metres from the rear of the original dwellinghouse?	No
Does the proposal exceed 4 metres in height?	No
Have permitted development rights been removed from the property?	No

#### Condition A.4

As part of the notification procedure, the Local Planning Authority notify owners or occupiers of adjacent premises of the proposed development by serving notice and allowing 21 days for objections to be made. The Local Authority shall take into account any representations made as a result of the notice given.

**Consultation start date** : 30<sup>th</sup> April 2026

**Consultation end date** : 21<sup>st</sup> May 2026

## **1. Objections**

Summary of representations: - None received

## **1. Assessment**

The application site is brick constructed end-terraced residential property. No rearward projection was constructed as part of the 'original' dwelling and there is no evidence to suggest that any rearward projection has been constructed since the property was built.

The proposal would, therefore, accord with the relevant criteria for single storey rear extensions as set out in Class A of Part 1 of the Town and Country Planning (General Permitted Development) Order 2015 (as amended).

The properties which abut the curtilage of the property of the property were notified with no comments received either in support or objecting to the development.

## **Recommendation**

Prior Approval is not required.
