Reason for Lawful Development Certificate

Please indicate why you are applying for a lawful development certificate

- An existing use
 Existing building works
 An existing use, building work or activity in breach of a condition

Being a use, building works or activity which is still going on at the date of this application.

Description of Existing Use, Building Works or Activity

Please fully describe each existing use, building works or activity for which you want the lawful development certificate. Where appropriate, show to which part of the land each use, building works or activity relates

Application for a Certificate of Lawfulness for an existing operational development comprising a timber framed stable building located in the southern section of the application site.

The building measures approximately 3.2m x 3.8m and is constructed from a timber frame with external timber cladding and a sloping roof. The building is painted brown with a black roof and is situated on a hardcore base.

The stable building has existed continuously in substantially the same position and form for a period in excess of 10 years prior to this application.

The application relates solely to the existing building works and operational development of the stable structure itself.

Grounds for application for a Lawful Development Certificate

Under what grounds is the certificate being sought

Where the use, building works or activity began before 25 April 2024

- The use began more than 10 years before the date of this application
- The use, building works or activity in breach of condition began more than 10 years before the date of this application
- The use began within the last 10 years, as a result of a change of use not requiring planning permission, and there has not been a change of use requiring planning permission in the last 10 years
- The building works (for instance, building or engineering works) were substantially completed more than four years before the date of this application.
- The change of use to use as a single dwelling house began more than four years before the date of this application.
- Other - please specify (this might include claims that the change of use or building work was not development, or that it benefited from planning permission granted under the Act or by the General Permitted Development Order).

Where the use, building works or activity began on or after 25 April 2024

- The use, building works or activity began more than 10 years before the date of this application.
- The use began within the last 10 years, as a result of a change of use not requiring planning permission, and there has not been a change of use requiring planning permission in the last 10 years.
- Other - please specify (this might include claims that the change of use or building work was not development, or that it benefited from planning permission granted under the Act or by the General Permitted Development Order).

Is the certificate being sought for a use, operation, or activity in breach of a condition or limitation?

- Yes
- No

Please state why a Lawful Development Certificate should be granted

The stable building was substantially completed more than four years prior to 25 April 2024 and has remained continuously in place in substantially the same form since that time.

The building has existed for a period exceeding ten years and is therefore immune from enforcement action. Historical aerial imagery, including dated Google Earth imagery, is submitted in support of this application and demonstrates the continued presence of the structure over a prolonged period exceeding the relevant enforcement period.

The application relates solely to the existing operational development comprising the stable building.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

(a) a member of staff

(b) an elected member

(c) related to a member of staff

(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

Yes

No
