This premises has caused nothing but trouble since it has opened. Parking in the area is a nightmare with customers regularly blocking drives. Residents not only have nowhere to park and are disrupted by the adult only nights whereby customers are drinking late at night and spilling out into the residential streets. Large illuminated signs will disrupt the houses which are very close by. The lights will be visable in all nearby houses and if the buisness is not trying to attract buisness late at night then what is the purpose of the lights? The local area looks like Blackpool already without the addition of this eye sore
