This amplifies all (19) recent concerns by the Bristfield neighbourhood to 2025/91128. Specific objections : 1) character- A steel shed would be overbearing in addition to current buildings. 2) light, noise and odour pollution close to residential properties. 3) Increase in traffic, managing the items stored within. 4) Not all existing buildings appear to have planning permission. Please could you check with enforcement as this also has a bearing on this application.
