<p>This applicant is still under investigation from an enforcement order, part of the investigation is re. erecting buildings without planning permission - how is it possible to get planning for other buildings? There is only access to the farm from one direction on Healey Lane, which passes residential houses. There is no access possible for roadgoing vehicles from the end of Healey Lane nearest the village centre, and the road is a bridleway, so it shouldn't be developed and resurfaced. There will be further points raised via email.</p>
