<p>There is already hard standing area, not applied for planning permission for, taken from Green Belt</p> <p>Need a license to transport muck from Healey Farm to other farmers' land</p> <p>The farm is no longer a farm but more Industrial Use.</p> <p>The lane cannot take the heavy and frequent machines running along it, the water course is being pushed higher than the lane as the lane sinks under the pressure of machines running over it.</p> <p>More planning and expansion at Healey Farm de values our property.</p> <p>The farmyard has been extended so much, it puts users (bridle and walkers etc) off using it.</p> <p>They seem to have no courtesy when using this farm to others at all.</p> <p>Their machines cannot access their own fields due to size of them, and ruins the lanes, roads and water courses and small bridges and neighbouring houses whilst they drive to other areas of Bristfield to get to either their own fields or other farmers' fields.</p> <p>Extensive use of road hours by tractors.</p>
