Erection of steel portal frame shed for the covered storage of straw, fodder and machinery and hardstanding
Date Responded: 07/10/2026 Responding Officer: D. Stainsby Responding Ref: K16-11/1

This application seeks approval for the erection of steel portal frame shed for the covered storage of straw, fodder and machinery and hardstanding at Healey Farm, Healey Lane, Briestfield, Dewsbury

Healey Lane is an un-adopted lane and bridleway off Briestfield Road.

Vehicle access to the site onto Briestfield Lane will remain as existing and is unaffected by the proposals.

The proposals are unlikely to intensify the use of this road as they are to be used as covered storage and is ancillary to the current operation of the farm.

As a result, the proposals are acceptable.
