Postcode:	HD3 3LW

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
The formation of a new motor vehicle entrance onto East Avenue will impact on the appearance of the avenue which is in a conservation area. It will also result in the loss of a large number of mature native trees. There is potential for a shared entrance via the the existing entrance at Ash Meadow which will not impact the appearance or affect any trees.
