

Scale 1:50@A1

Architectural elevation drawing of a building facade. The left section is a red horizontal-slatted structure with a flat roof, labeled "Flat Roof Section". It features a "Lantern" on the roof and a set of four windows labeled "3". A door labeled "7" is on the right side of this section. The right section is a large, dark gray structure with a steep gable roof. A small white door is visible on the right side of the gray structure. The drawing includes numbered callouts 3, 5, 7, and 8.

Extenstns of Proposed Out-Building

Extends Beyond

Scale 1:50@A1

Drawing may not be copied without prior written permission.
This drawing is copyright.

All works are to be carried out in accordance with all latest and relevant CDM Regulations, the Health and Safety Guidelines, Legionella Guidelines, Water Authority Regulations and the Building Regulations.

All dimensions shown are in millimeters, unless otherwise stated. Drawing author to be notified of any discrepancies. Verify relevant drawings on site before commencing work or preparing shop drawings. Contractor to check all dimensions and report all errors and omissions to the designer. Do NOT scale from this drawing.

When removing or disturbing any existing material, check all items that are to be disturbed for any trace of asbestos. Do not mechanically fix into asbestos based materials. Remove all asbestos in accordance with government guidelines. Check the 'Demolition & Refurbishment' Asbestos Survey prior to commencement of all works. All removals to be carried out by an accredited contractor. Not Architectural Designers responsibility to obtain Asbestos R&D Survey.

Elevational Notes

1. Proposed Pitched Roof, to match existing.
2. Proposed rainwater goods, all to match that of the existing. Final locations to be identified at Building Regulations Stage.
3. Proposed UPVC / Aluminum double glazed bi-folding doors.
4. Stone work, to match that of the existing.
5. Brick work, to match that of the existing.
6. Render to 'non facing' elevations.
7. Proposed Timber Door.
8. Proposed Garage Door.

Note

For clarity, not all external fixtures and fittings shown, such as RWP's, alarm boxes planting, fencing etc .
