

Who are Northern Gas Networks?

We look after the 37,000km of gas mains in your area. We don't own the gas but it's our job to transport it safely to you.

We object to your planning application

Dear Sir/Madam,

Thank you for sending your notice dated **11 Jun 2026**

We enclose a plan showing our plant in the area of address **First Huddersfield, Old Fieldhouse Lane, Huddersfield, HD2**

We object to the planning application on the grounds that the protection given to our plant may be diminished by the works you intend to carry out. There are specific building proximity distances for individual pipelines, which are dependent on pre-defined risk levels and the type of development. If your proposal includes the construction of buildings, it is essential you contact Callum Dale 07864617884. Callum Dale is the pipeline technician.

Kind Regards

NGN Before You Dig Team
