

Bankfield Drive, Holmbridge - Boundary Treatments

Hedgehog highway signs and openings of 130 x 130mm to be placed between gardens and fences forming outer boundaries of the site.

----- Existing drystone wall

----- 1.8m High hit and miss fencing as per DOD comments, with rear plot dividers in height of 1800mm consisting of the same material as above are to be installed between properties. Fencing to be constructed from 90mm planks with 19mm gaps with 100mm x 100mm fence posts.

Access is restricted from the front of each plot into the rear garden by a 1800mm high lockable gate.

The hedgerows will be maintained by a management company and, upon reaching maturity, will be maintained at a maximum height of 2m
