Dear Sirs

We are objecting to the above planning application at Blacker Farm, Park Lane, Emley, Huddersfield, HD8 9QS
DEN/27/10 Bridleway isn't mentioned in your consultation.
Public Bridleways carry no public right of access for motorised vehicles.
This Bridleway is a Public Right of Way on the Definitive Map and is very well used by horse riders & cyclists.
The Bridleway is narrow with no passing places for the public to take refuge from the extra traffic during construction with heavy goods vehicles and following construction the increased vehicles of future residents.

Best regards
