Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

Amendment and simplification to the shape of the external patio to the rear of the property - consolidating previously two tiers, with a 50cm step down, into one more child friendly level, with the steps down relocated to the side of the property. Additionally the lower tier will be squared off with no material change in overall coverage.

Please state why you wish to make this amendment

We are looking to simplify this structure as we have two young children and with the current approval having a 50cm step down around 1meter from the bifold doors is appropriate. Instead a self contained fully level patio with a balustrade and gate over the steps is much safer.

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

◯ Yes
⊘ No
