This proposed development is on land that is designated in the estate plans as public open space (see plans in application 2025/70/90297/W https://www.kirklees.gov.uk/beta/planning-applications/search-for-planning-applications/filedownload.aspx?application_number=2025/90297&file_reference=1075499]. It should not be available to the developer to put roads or houses upon. We have seen no proposal to vary the plans use from being council public open space. Or plans for the council to gift or sell this land back to the developer. The land has had an access route installed by the council and accessed for more than 15 years as a pathway between the two public spaces or the two developers.
