Dear John,

Re: 2026/91475- Discharge of details reserved by conditions 6 (bin storage), 7 (crime) on previous permission 2025/93197 for erection of free standing single storey structure to be used as temporary indoor market (sui generis) with associated facilities, office cabins, waste compound, parking spaces and works (within a Conservation Area) at adj, Huddersfield Open Market, Brook Street, Huddersfield, HD1 1RY

Thank you for the consultation request.

Condition 06- I note that this is a temporary solution whilst the permanent market is under development. The compound is proposed to be secure (gated and fenced), the bins themselves are lidded, panel height is listed as 2m. As part of routine management and maintenance of the site, staff should ensure that the compound is locked and secure outside of operating hours so the bins cannot be removed or repositioned to be used as climbing aids. The fence panels should be linked using couplers of an anti-tamper design.

Could the above feedback be passed to the applicant/ agent, please.

Conditions 06 and 07 can be discharged.

Kind regards,

Agnieszka Boryn
Designing Out Crime Officer
Kirklees District
