| <p>Having lived on the Lodge for nearly 17 years I have felt that the exit road out onto Hazel Grove has always been extremely hazardous.</p> <p>To add a garage on the end end of this very small road, directly opposite another garage/driveway will only add to this.</p> <p>The tiny grass verge is literally the only way cars can drive onto the cul de sac due to the amount of cars on the top of the Lodge, this erection of yet more obstructions will be a huge danger to people trying to get out onto the very fast corner where drivers ignore the speed limit, as you drive out into the main road you have to pull right out to try and see if anything is coming... the area has needed double yellow lines for years at the very least and now this is going to make things even worse.</p> <p>Please reconsider allowing this.</p> |     |
