User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	No
I respectfully request that the Local Planning Authority refuses planning permission for application 2026/60/91494. The proposal would result in inappropriate development within the Green Belt, cause unacceptable harm to highway safety and traffic conditions, and place further pressure on already overstretched public infrastructure, including GP services, school places and sewerage systems. These adverse impacts significantly outweigh any potential benefits of the proposal. I therefore urge the Council to refuse this application.
