Address of the site or building:	Land off, Penistone Road, Birdsedge, Huddersfield, HD8 8XP
Postcode:	

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	No
This is a green belt site and Kirklees should reject this application as they have in the past. Previously they stated that there were no circumstances which would justify building here. Birdsedge in common with many other small villages in this area does not have the necessary infrastructure to support a large scale development such as this. The school is too small and there is not for example a public house as this closed years ago. Birdsedge is dissected by a busy road leading to a notorious accident blackspot at the Sovereign crossroads. Highway safety will be compromised by a development such as this. The lack of infrastructure includes the sewage system which is currently not fit for purpose and there are no plans to improve it. We are told that the Kirklees area has enough brown field land needed to satisfy new homes criteria. Therefore there is no need to build on our green belt. Our community is against this development and it is hoped that Kirklees Council support us in this and refuse this development again.
