Subject: Planning Application 2026/60/91494/E

Dear Sirs,

I wish to formally object to the above proposal to build 70+ new homes on green belt land off Penistone Road, Birdsedge.

Kirklees Council have previously rejected this site for development and I can find no reason why this has changed. Yorkshire Water have stated that the current infrastructure cannot handle a development of this size and certainly local schools would not be able to cope. Apart from the habitat loss a development of this size would also create a negative impact which the additional traffic would bring. This is green belt land and should remain so.

Yours sincerely
