Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
The site chosen for this proposed develepment has already been previously ruled out for development by Kirklees Council as part of the local plan. This is due to this piece of land being a wildlife corridor and the eastern boundarydoes not follow any feature on the ground so does not present a defendable new greenbelt boundary. They are the reasons given for why it wasn't included and nothing has changed. This should be the end of the matter.
