Hi

I object to the above planning application on the following grounds:

- It conflicts and is not supported by the Local Plan and goes against Green Belt policy
- There is little if any infrastructure to support such a development – please consider recent developments along the road at Penistone and down the road at Shepley – GP surgery at Shepley is very busy, limited bus service in place, 19th century schools full to capacity etc
- There is already a marked increase in traffic accidents within the area with people not familiar with road layouts – consider the two recent accidents in two days at the crossroads on the village border – a couple of hundred yards before you get to the Sovereign junction (which in itself is a nightmare to navigate), no traffic calming measures – numerous accidents around the Sunside Cottages area involving speeding cars, no crossing areas etc
- Limited drainage system
- Effects to listed properties within the area – along with proposed new quarry works

Regards
