Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

The proposed non-material amendment seeks approval for a number of minor revisions to the approved layout and landscaping plan. These include the repositioning of the front access ramps serving Plots 10 and 42, amendments to the Plot 42 bin store arrangement, and the repositioning of Plots 41–43 (200mm) and Plot 76 (500mm) to achieve compliant fire separation distances. Plot 49 is proposed to be handed from the approved opposite-handed house type, and the run of Plots 63–67 amended to accommodate retaining requirements and maintain adequate fire separation distances.

Minor landscaping amendments are also proposed, including the repositioning of street trees at the site entrance, adjacent to Plot 2, and the relocation of trees from Plot 51 to Plot 46 and from Plot 76 to Plot 78.

The amendments are minor in nature and do not alter the overall character or planning principles of the approved development.

Please state why you wish to make this amendment

The amendments are required to align the approved layout with the detailed engineering and external works design, ensure compliant fire separation distances, accommodate retaining requirements, and refine the landscaping layout. The changes are minor and do not affect the overall character or planning principles of the approved development.
