Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

In the current economic climate, all prior permissions have become economically unviable including the latest scheme permissions (submitted 2025 & 2026) which have now been terminated. As such, this variant extension and alteration scheme seeks to work with the existing structure and adapt the dwelling to make a modern family home.

The enhancements contained within this proposal have been carefully considered to achieve low impact, be sustainable, and all design elements used have been given prior approval individually within the last 5 permissions. Therefore this proposal should be well received.

If you wish the existing condition to be changed, please state how you wish the condition to be varied

Removal of side and rear extensions.
Adjusted main roof form to gable and hipped.
Inclusion of outbuilding.
Addition of first storey extension with recessed area below over the front entrance.
Recessed side entrance.
Retained existing extensions at rear, and re-roof ground storey elements.
Adjustments to fenestrations on all facades with external wall insulation.
