As a resident of Hade Edge, I am commenting in support of this application. In large part due to the existing Jones Homes development there are many young families who have made their home in the village, but there are almost never any homes for sale to accommodate growing families who are wanting a larger property here. This development will provide this needed supply. It will also inevitably benefit our lovely village school which is currently massively under-enrolled. I hope that if this is approved, funds will be contributed to upgrade the local park adjacent to the school, which is in a shameful state. Doing so would go a long way to gain support of the residents.
