We don't have the electric,water infrastructures for new properties up here,we also don't have a public transport for more residents.i am totally opposed to the new homes being built not solely on the reasons given above,I just don't want them,it'll turn our lovely quiet little village into a building site which given the amount of young children with the freedom as it is safe up here,but given that,there'll be bloody dust pollution,noise pollution,let alone disturbing the wildlife here.
